

***Our mission: To continuously improve
the sanitation and quality of hops
used in the brewing and cellaring of great beers.***

Date	10 August, 2018
Location	F and B Farms
Purpose	Pre-Harvest Quality Visit

Attendees:	Mat Olive (Ninkasi Brewing)
Jon Clack (Steinner)	Ryan Kern (Deschutes)
Fred Geschwill	Kyle Matthias (Deschutes)
Daniel Sharp (Ninkasi Brewing)	Jeff Johnson (Deschutes)
Jamie Floyd (Ninkasi Brewing)	Matt Gallagher (Deschutes)

Operations Description

Nursery and farm with greenhouses for babyexperimentals. Daunhuaer picker still being cleaned during inspections. Kiln floor clean no sign of bird activity.

Curing floor was clean.

Working on prototype for mobile picker. Very cool design.

Areas of Concern

Lots of grease on hanger tracks, but maybe an operational necessity (low concern)

Recommendations

Try to reduce excess grease on hanger tracks.

***The Hop Quality Group thanks you for the privilege of working together
on our commitment to quality hops for great beers.***
