

*Our mission: To continuously improve
the sanitation and quality of hops
used in the brewing and cellaring of great beers.*

Date	19 August, 2015
Location	Olsen Brothers, Washington
Purpose	Pre-Harvest Quality Visit

Attendees:	
Martin Olsen	Brent Radke – New Belgium
Paul Dickman – John I. Haas	Joe Palausky - Boulevard
Jeremy Moynier – Stone Brewing	Andrew Ety – Brooklyn
Anders MacCarthy – Sierra NV	Eryn Bottens – Boston Beer

Operations Description

Older picking facility with the bine loading area open but looks bird tight.
Generally clean with little evidence of bird activity.
The oast is also a fairly old building with no insulation, but clean and well maintained. No evidence of birds.

Areas of Concern

None at this time.

Recommendations

--

*The Hop Quality Group thanks you for the privilege of working together
on our commitment to quality hops for great beers.*
