

***Our mission: To continuously improve
the sanitation and quality of hops
used in the brewing and cellaring of great beers.***

Date	20 August, 2015
Location	Puterbaugh Farms, Washington
Purpose	Pre-Harvest Quality Visit

Attendees:	
Diana Puterbaugh	Zach Baitinger – New Belgium
Stacy Puterbaugh	Joe Palausky - Boulevard
Kevin Madsen - Steiner	
Anders MacCarthy – Sierra NV	Derek Stepanski - Bells

Operations Description

Picker recently enclosed with the rest of the building. New wiring, looks in good shape.
New blacktop around picker to control dust. A nice upgrade.
Two drying areas. The screening in the older one could use some attention.
Cold storage facility.
Pretty solid shape all around.

Areas of Concern

Non-shatterproof lights.

Recommendations

Update all lights to shatterproof.

***The Hop Quality Group thanks you for the privilege of working together
on our commitment to quality hops for great beers.***
