

*Our mission: To continuously improve
the sanitation and quality of hops
used in the brewing and cellaring of great beers.*

Date	20 August, 2015
Location	GGHR - Roza, Washington
Purpose	Pre-Harvest Quality Visit

Attendees:	
Paul Merrit	Zack Baitinger – New Belgium
Kevin Madsen - Steiner	Joe Palausky - Boulevard
Derek Stepanski - Bells	Anders MacCarthy – Sierra NV

Operations Description

Picker freshly painted – “Shiny & clean.” Loading area is open, but plan is to close by next year.

Drying areas generally in good shape. Some rust in joists over hops.

Over-all looks in good shape and heading in the right direction.

Areas of Concern

Minor bird problems in the past. No evidence of bird activity this visit.

Recommendations

None at this time.

*The Hop Quality Group thanks you for the privilege of working together
on our commitment to quality hops for great beers.*
